MESSAGE FROM THE CHANCELLOR

Hon'ble Chancellor, Raghubar Das, Governor of Odisha

Raghubar Das
Governor, Odisha

RAJ BHAVAN
BHUBANESWAR - 751 008

November 18, 2023

MESSAGE

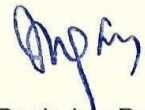

I am glad to know that Rama Devi Women's University, Bhubaneswar is celebrating its 9th Foundation Day on December 3, 2023. The University's "Annual Report 2022" is also being brought out on the occasion.

Rama Devi Women's University, Odisha's First Women's University has maintained a trajectory of steady and sustained growth since its inception. Despite challenging moments, the University has had a year of achievements. There is every reason for all stakeholders to feel proud. A key factor in the University's ability to deliver has been its continued dedication and commitment to education and all round development of students.

The Annual Report portrays the wide spectrum of various academic and co-curricular activities at the University. In a world that is fast evolving, the only way is forward but how we pave that path is significant. I am sure the University would reimagine ways and reinvent methods to overcome the challenges while continuing to re-affirm its ethos and vision.

I send my greetings and best wishes on the occasion of foundation day. I look forward to the future with optimism, and hope that the University will script more accomplishments and attain new heights in the coming days.

I wish the publication all success.

(Raghubar Das)

MESSAGE FROM THE VICE CHANCELLOR

Hon'ble Vice-Chancellor, Prof. Aparajita Chowdhury

As the Vice-Chancellor, I am pleased to place this annual report from Rama Devi Women's University. Here is yet another year filled with profound commitment to the advancement of women's education and empowerment. The journey of our university is marked in alignment to the mission and vision of the University; to empower women through education, foster academic excellence, and champion gender equality and social justice. In these pages, one will certainly find a reflection of the hard work, dedication, and resilience of the entire Rama Devi University community. The report is evidence of the University's firm commitment to fostering the all-inclusive development of women, preparing them with the skills, knowledge, confidence, attitudes, and values to excel in every facet of their academic journey. Our academic programs continue to evolve, offering innovative, research-driven education that prepares our students for the complex challenges of our time. Besides the regular academic courses, the University offers value added courses, outreach programmes, mental health and wellness talks etc. for a holistic development of our students.

The research initiatives, collaboration and outreach activities are the strength of our community engagement. The alumni who serve as beacons of inspiration for generations to come. The University's commitment to social responsibility, sustainability, and creating inclusive, diverse environments is established in the work, on and off our campuses.

Rama Devi Women's University is not just an institute, it is a force for change, to empower and elevate women through education. and an encouragement of hope for a brighter future for women. The University has taken significant steps in promoting gender equality and the students are the embodiment of the change we wish to see in the coming days.

I extend my gratitude to the dedicated faculties, staff and students for their commitment to excellence. the pages of this report share stories of achievements and the vision for a creation where every woman's potential is fully realized. Together, we will certainly continue to break boundaries for a more equitable and inclusive society.

Thank you

Achowdhury
Vice Chancellor

RAMA DEVI WOMEN'S UNIVERSITY YEAR IN REVIEW

Rama Devi Women's University, one of the premier institutes for women in the state of Odisha was established in 2015. It is the only Women's university in the state and eastern India, having unitary status with 48 affiliated colleges across nine coastal of the state. The institute was established to commemorate the spirit of the nationalist icon of the State of Odisha Maa Rama Devi and a role model for young women to emulate. Since establishment it has maintained the quality education, influential research and visionary mission, in service of state and society. The University was recognized by UGC under section 22 of the UGC Act 1956. It has been granted provisional membership of Association of Indian Universities (AIU) with effect from 11.5.2016.

Rama Devi Choudhury, fondly addressed as 'Maa Rama Devi', was born on December 3, 1899 at Cuttack (Odisha). What sets Rama Devi Choudhury on a higher pedestal in the list of exemplary freedom fighters and social reformers of India is her sense of ardent compassion for the poor, destitute, untouchable and the landless. One who had the support of no one had 'Maa Rama Devi'. She was the symbol of 'Universal Motherhood' for the Odias. It is significant that the birthday of Maa Rama Devi is marked as the Foundation Day of the University. The seventh Foundation Day of the University will be celebrated on Dec 3, 2021 that marks Maa Rama Devi's 122nd birthday. On the occasion, it is inevitable to reminisce about the sacrifices, struggles and passionate fervor of Maa Rama Devi towards the freedom movement of our nation. It is interesting to note that she was not only adoring woman but was also an affectionate and motherly figure for the underprivileged. She was as skilled on the domestic front as committed to the state of Odisha and the nation.

Maa Rama Devi is popularly acknowledged for her participation in the *Bhoodan* and *Gramdan* movement. She was a messiah for the landless and the poor. She is known for her sacrifice, dedication and affectionate attitude towards the destitute. She was highly influenced by the principles of Utkalmani Gopabandhu Das and Mahatma Gandhi and is known for her contribution to the Non-Cooperation movement and Quit India movement. She participated in Gandhi's Salt Satyagraha movement that took place in 1930 in Odisha. As the Odisha representative of the Kasturba Trust, she launched many welfare schemes for women in Odisha.

She established the Utkal Khadi Ashram and a Teachers' Training Institute at Ramchandrapur. Her Gram Sevak Press was a bold voice of the media to keep the democracy under check. Her efforts at fighting communalism in Odisha were bold and an example of unprecedented leadership abilities of a woman in the state. Her dedicated service towards the Indian soldiers in the 1962 Indo-China war was also commendable. She breathed her last on July 22, 1985 in Cuttack.

Named after Maa Rama Devi, Rama Devi Women's college was a brain child of the former Chief Minister of Odisha Biju Patnaik. The college began in the labor department of the state government with only 42 students. It was shifted to its existing campus in 1969 that was inaugurated by the then education minister Banamali. It was granted the autonomous status in 1999 for its exemplary contribution to women's education in the state. Rama Devi Autonomous College was upgraded to Rama Devi Women's University on 30 th May 2015. In 2004 and 2015, Rama Devi Women's College and eventually Rama Devi Women's University was conferred as Grade A by NAAC. In 2010, it was conferred with the prestigious title of 'College with Potential for Excellence'. In 2021, Rama Devi Women's University was conferred the UGC 12B status.

Rama Devi Women's University is the first and only women's university in Odisha. It is the best destination of education in Eastern Odisha not only for girl students from remote corners of Odisha, but also from Chhattisgarh, Jharkhand and

West Bengal. While reminiscing about the seven years that have flown by, on this Foundation Day, we are indeed proud to realize that Rama Devi Women's university has produced not just efficient professionals, but socially conscious, sensitive and empowered women who are at the forefront of the society in regard to their rights, duties and responsibilities. In its short span of its existence since 2015, Rama Devi Women's University has many feathers in its cap. The seven-year journey has been productive in many aspects. Our students have become teachers, management trainees, Content writers, E-commerce employees, business process associates and are well placed in many professions.

Honorable Chief Minister Inaugurates New Auditorium of Rama Devi Women's University.

The University is marching forward with a vision to be developed into a Center of Excellence in higher education through promotion of quality teaching and research.

MISSION AND VISION OF RAMA DEVI WOMEN'S UNIVERSITY

VISION

To ensure holistic development of women through promotion of quality teaching and research.
To enhance global visibility in terms of quality, employability, inclusivity, and women empowerment with future readiness through social innovations.

MISSION

The mission statement of the University is – “सा विद्या या विमुक्तये” (Sa Vidya Ya Bimuktaya) - It is knowledge that liberates.

- To provide quality higher education for holistic development of women.
- Strive for excellence by continuously enriching the curriculum and work culture of the University through teaching, research and extension.
- To ensure a stress free and inclusive environment by providing easy access and facilities to diverse categories of students.
- To develop entrepreneurial skills and self-reliance among students through well -structured skill based, future ready and value-added courses.
- To strengthen the capacity of the students through exposure and hands-on experience with institution of national and international repute.
- To foster maximum participation of women in community growth and nation building

ACADEMIC PROGRAMS

The relevance of an academic programme lies in its constant evolution to fit in into the current needs of the society. Without academic courses being tailor-made to suit the contemporary changes and address the challenges, they lose their significance. Keeping these aspects in mind, in the year 2022 so far, the academic programmes at Rama Devi Women’s University have been designed and developed.

Academic progress has been measured in terms of the quality of teaching, development of curriculum, innovative courses, achievement of students and contribution of teachers to teaching, publication and research. We began this year with a higher than usual number of under-graduates, post- graduate applicants. After the impact of the Covid-19, University mainly focused on the need to adapt to a different form of teaching and learning, mainly a combination of online and face-to-face provision for students. This year the University portrays the wide spectrum of various academic and co-curricular activities at the University and its affiliated colleges. Academic activities were not be confined to classroom teaching. It extends to include seminars, conferences, workshops, invited talks and extra-mural lectures. These aspects introduce new ideas, play a significant role in the dissemination of knowledge and help in holistic development of teachers and students. They ensure the enhancement of the teaching-learning process in a structured manner.

The University has a well-maintained lush green campus that spreads over 23 acres of land ensuring adequate availability and optimal utilization of physical infrastructure for teaching-learning activities.

Classrooms: The university has well-ventilated and spacious classrooms. There are fifteen (15) overhead projectors with screens and ten (10) fixed projectors in Smart classrooms. There are four academic blocks which house seventy-six (76) classrooms, fifty faculty chambers, ten smart classrooms, twenty-two (22) department laboratories, and ten (10) advanced laboratories. For optimal use of classrooms for UG students, a staggered timetable has been put in place.

The University has four academic blocks. An attempt is made to make optimal utilization of the available

facility. There is a multi-purpose hall used for Valuation, Admission, Exhibition, etc.), a Central Library, a Skill Development Center, two auditoriums, an open-air stage, a canteen, a convenience store, a reprographic center, and a boutique. Other utilities like pure RO drinking water and power generators are installed at various locations of the university. The campus has CCTV cameras installed for 24/7 surveillance.

Labs: The Department of Life Science, Physics, Biotechnology, and Chemistry has three, four, four, and two labs respectively. The Department of Computer Science, Psychology, Chemistry, Botany, Zoology, Maths, JMC, English, and Home Science has one lab each.

ICT facilities: The institution has ICT facilities such as WiFi, LCD projectors, smart boards, LAN, and audio/video recording options. Laboratories have licensed software and open-source tools to cater to the requirements of curriculum & industry-enabled teaching. The entire campus is Wi-Fi enabled with 24/7 internet facility. The ten ICT Classrooms have the provision for Multimedia learning.

LMS: The library is a three-storied building including the reading room, board room, newspaper corner, e-library, research scholar's room, and carrels. There is a room for visually impaired students with adequate facilities. The students and staff can access NPTEL Online Course, SWAYAM, E-Pathshala, National Digital Library (www.ndl.iitkgp.ac.in), e-books and e-journals (EBSCO and Science Direct Elsevier) through multimedia computers. Unlimited download of books and articles is possible.

All cultural events take place in the Old Auditorium, Open-Air Stage, and New Theatre Auditorium.

SPORTS: RDWU has provision for multiple sports and games and makes optimal use of the available space. Two Badminton courts of 13.40 m length and 6.10 m width are available. The Volleyball court with a play area of 18 m in length and 11 m in width. 30 to 35 students utilize the facility every day. The basketball court of 29 m length and 15 m width is available. Around 25 students practice every day. The students are encouraged to play kabaddi. The total area available is 11m length and 8 m in width. Around 40 students practice every day. The play area of Kho Kho is 27m in length and 16m in width. 25 students practice every day. Chess, Carom and Ludo: Around 40 students practice every day. Table tennis facility is also available. Facility for Yoga and Meditation, and Self-defense practice is also available. Gymnasium facility with adequate equipment is available. The facility can be used by ten users at a time.

RESEARCH & INNOVATIONS

Rama Devi Women's University takes great pride in maintaining the highest levels of research in the nation with distinguished academics that can compete with the best everywhere. RDWU focus on research that aims to produce and disseminate information and technical expertise through high-quality research for the benefit of people and society. While the number of significant inputs that go into research at the university cannot be measured, some of the deliverables include funds received from extramural sources, research grants, research-based course curriculums, research supervision by faculty members, and the number of students enrolled in postgraduate and doctoral programmes. The research output can be quantified based on quality publications, patents, research consultancies, MoU's, innovation and entrepreneurship. In 2023, research activities have gained special attention at Rama Devi Women's University (RDWU). All Faculties and Centres in RDWU have made significant efforts in order to boost the research output of the University and promote the research culture, which in turn, will contribute to the excellence of the society. The research and innovation have been an integral part of the University's activities and is committed towards building an inclusive, as well as diverse and collaborative research environment, prioritizing quality research and innovation having societal relevance. In order to facilitate research activities, the University has developed a well drafted Research Policy to guide, encourage, fund, support and monitor core and interdisciplinary as well as multidisciplinary research in emerging socially relevant areas.

STRATEGIES TO STRENGTHEN THE RESEARCH ECO-SYSTEM

The University aims to have a research and innovation ecosystem leading to consistency, efficiency, and quality output for the society. The following strategies are outlined this year to achieve the goal:

- Faculties to register in Scopus/Web of Sc./Google Scholar/Research Gate
- Focusing on thrust areas of research in each discipline/Dept
- Motivating Faculties for funded research projects
- Implementing University research policy in letter & spirit.
- Two publications per faculty per year in Scopus/UGC approved/peer reviewed journals
- Promoting research funding to support non-funded research projects of the University faculties.
- Research opportunities on Odisha's social transformations, crime and governance issues must be realized and to be addressed through multidisciplinary research.
- Partnership with state and national Commissions, international agencies, universities must be established.

NEW AREAS OF RESEARCH

- Iconography – is an academic study of identification, description, classification, interpretation of symbols, themes and subject matter in visual arts – Odisha’s temple, sculpture, architecture, paintings, textiles, handicrafts.
- Medical Humanities – It is an interdisciplinary field of medicine which includes the humanities (philosophy, ethics, history, comparative literature and religion), Social Science (Psychology, Sociology, Anthropology, Cultural Studies, Health geography), and arts (Theatre, Film, and Visual Arts) and their application to Medical Education and Practice.
- Digital Humanities – Is an academic Discipline that explores the intersection between technologies and culture. It is an interdisciplinary field for people with the background in humanities and the art.
- Disability Studies – Is a branch of study that, examines nature, extent, and consequences of disability for our society and need for mainstreaming these people.
- Indigenous Research - Literature, culture, traditions, life styles etc.
- Post Humanism – Cloning and Robotics - Beyond Humans- Their narratives.

SEMINARS, WEBINARS, WORKSHOPS AND FDP'S

In the past years Rama Devi Women's University has actively engaged in intellectual exchange through Seminars Webinars, Workshops, Invited talks, Extramural Lectures and FDPs as a platform for in-depth discussion, gestating knowledge dissemination among participants. The insightful conversation on diverse subject enhances the overall academic environment at Rama Devi Women's University.

Dept. of Life Science and Industrial Microbiology organized seminar talk entitled, "Mass spectrometry-based proteomics for understanding disease biology" by Dr. Amol Suryawanshi, Senior Scientist, DBT-ILS, Bhubaneswar.

International Webinar on "Educational and Cultural similarities and differences between India and Mexico". There was a discussion and exchange of ideas between faculty and students of Tecnológico de Monterrey University, Mexico and RDWU on 18.09.2023.

Dept. of Education, Rama Devi Women's University organized a workshop for Ph.D. scholars on Use of #SPSS in Educational #Research on 25.08.2023. Dr. Sarat Kumar Rout, Associate Professor of Education & HoD, Ravenshaw was the Resource Person.

10th Regional Conference of Theosophical Order of Service, Odisha region, was organized at Rama Devi Women's University on 22.09.23. Guruji Dr. Chandra Bhanu Satpathy was the Chief Guest and Prof. Aditya Kumar Mohanty

was the Guest of Honor of the programme.

Two days National Seminar on "Hindi Gadya Sahitya ke Vividh Aayam" organized by Dept. of Hindi, RDWU on 25th & 26th August 2023.

A seminar was conducted in Rama Devi Women's University on "INDIA AND TIBET: SHARED HERITAGE AND SHARED FUTURE" today. The event was conducted by Maa Rama Devi Chair Professor, p_sucheta , in collaboration with Dept. of Philosophy

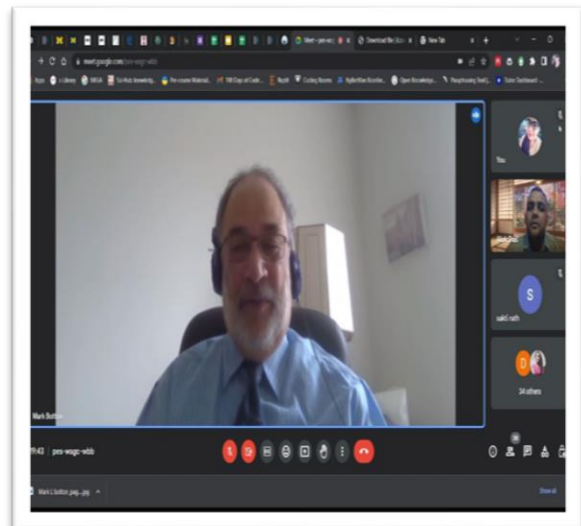

One day seminar on " Data and Sustainable Development" has been organized by the Dept. of Statistics, #rdwu on the occasion of National Statistics Day

Hon'ble Vice Chancellor Madam Prof. Aparajita Chowdhry addressing the Scientists in G20_CSAR Round Table Meeting organised by DBT-ILS, Bhubaneswar & BCKIC Foundation at Institute of Life Sciences, Bhubaneswar on 29th June 2023.

Seminar on Job opportunities in Japan was organised by AI & Robotics, Centre of Excellence, Rama Devi Women's University on 3rd May 2023.

Dept. of Life Sciences, Rama Devi Women's University, organized two days online International Webinar on "Microplastic Pollution: Adversities and Strategies" on 27th & 28th April 2023.

Seminar on "Startups for Youth Entrepreneurs" was organized by P.G. Department of #Commerce, Rama Devi Women's University in association with Srusti Academy of Management on 27/4/2023.

One day Seminar on Computational Linguistics was organized by Dept. of Hindi, RDWU. Dr Ranjan Ku Das, Regional Director, Kendriya Hindi Sansthan, Agra, delivered a talk on "Bhasha Praudyogikee: Prayog ke vividh ayam" on 21st April 2023.

**DEPARTMENT OF HISTORY
RAMA DEVI WOMEN'S UNIVERSITY**

Our Patrons:
Prof. Dr. Aparajita
Choudhry
Vice Chancellor, RDWU

r. Chandi Charan Rath
Chairman Of P.G
Council, RDWU

Seminar Convenor:
Ms. Sradhanjali Naya

Seminar Organiser:
Mr. Sabyasachi Naya

Dr.Upendra Kumar Panda

Reader and HOD of Department Of History since 2017 , Emarti Devi Women's college.
He was formerly working as Lecturer in History at Baruneswar Mohavidyalaya in the district of Jajpur between 1991 to 2013.
later he was the principal of L.B. College, Jajpur for 5 consecutive years.
Dr. Panda have published many stories on History and other socio-economic issues in the National Dailies like Pioneer, Hindustan Times and other vernacular Weekly Magazines like ' Samaya Saptahiki'

Seminar On : " Emancipation of Women"

DATE: 21 APRIL 2023 **SMART CLASS ROOM**
TIME: 2-30 PM **318, BLOCK-I OLD ACADEMIC BUILDING**

Dept. of History, RDWU organized a seminar on “Emancipation of Women”. The seminar talk was delivered by Dr. Upendra Kumar Panda, Reader and HoD of Dept. of History, Emarti Devi Women's College on 21th April 2023.

Day-2 of Faculty Development Programme on "Pedagogical Practices in Education: A Practical Approach (based on CBCS syllabus)" organized by Dept. of Education. Prof. B.N. Panda, RIE-NCERT; Prof. Sudarshan Mishra, Ravenshaw University; Prof. B.B. Mishra, KISS-DU

Visually Impaired Cricket teams of Rama Devi Women's University and Shailabala Women's College jointly bagged the #Championship Trophy in the Visually Impaired Women's Cricket Exhibition Match organized by National Law University, Odisha.

RESEARCH CELL AND CENTRES

Research Cells and other Centre		
01	Maa Rama Devi Chair	<ol style="list-style-type: none"> 1. To conduct and invest in multi-disciplinary social science research affecting women in Odisha by connecting all the stakeholders to contribute towards achieving diversity, gender parity, justice and empowerment. 2. To inspire and translate women's contribution in various fields and amplify the voices of women to achieve equality and inclusiveness. 3. To promote study on women achievers and their contribution towards sustainable development in Odisha in particular and India in general. <p>Besides working on Research, Training and Documentation, the Chair would also involve in substantial community engagement through outreach programmes, duly associating the internal and external stakeholders, including the government and non-government agencies whose routine engagement is focused on sustainable development of women.</p> <p>The above rationale is also keeping in line with the 2030 agenda of UN wherein one of the major goals of Sustainable Development is to end poverty and discrimination against women</p>
02	Centre of Excellence for Translation and Life Writing	The Centre of Excellence for Translation and Life Writing was established with an objective to engage with and explore archival sources of writings by Odia women. The Centre aims at bringing a transformation of pedagogic practices through translation, identifying different knowledge texts in English/Hindi/Odia/Sanskrit and translating them, and promoting ethnographic engagement that would result in documentation of indigenous knowledge system and narratives.
03	Sarala Devi Centre for Gender Research	<ol style="list-style-type: none"> 1. To conduct and invest in multidisciplinary gender research. 2. To inspire, translate and amplify gender scholarship. 3. To connect gender specialists and contribute towards gender parity & gender justice.
04	E-learning Centre	<p>Improve the quality of learning and teaching</p> <p>Meeting the learning style or needs of students</p> <p>Improving the competence and efficiency</p> <p>Improving user-accessibility and time flexibility to engage the stakeholders in the learning process</p>
05	COE for Artificial Intelligence &	developing systems that balance and supplement human capabilities, addressing the ethical, legal, and societal consequences of AI and Robotics creating healthy and reliable robotics and AI system.

Robotics		
06	Centre for Skill Development Training	The Centre aims at training the undergraduate and post- graduate students of the University to develop technical skills & behavioral traits in their respective domain. The skill training includes but not limited to the development of strategic communication skills, grooming skills, professional etiquettes, leadership qualities, customer service skills, financial literacy, IT skills, health hygiene & sanitation and entrepreneurial skills as per the requirements of different domains. The expected end outcome of the skill training is a possible employment in their respective domain after graduation or to inspire students to take more advanced specialized training which can result in employment or self- employment.
07	Community Connect Cell	The mission of the Community Connect is to build understanding among students around the community lives and livelihoods through their personal experience and connection, and make their efforts to enrich community critical resources and skills. Therefore, community outreach will develop the responsive citizens who can be the frontline workers for social change. Rama Devi Women's University has taken up various causes for the benefit of society, building up in the process, a sense of community and teamwork among teachers, students, faculty and staff. It is committed to work towards Rama Devi's ideals of nation building and aims to undertake developmental activities, research and training in community matters, such as education, sustainable development and environmental protection, gender equality, health and wellbeing and protecting and reviving our rich cultural and natural heritages.
08	Grievance Redressal Cell	The purpose of grievance cell of RDWU is to address and resolve complaints and grievances raised by students, faculty, or staff regarding academic, administrative, or interpersonal matters. It ensures a fair and transparent process for resolving issues and promotes a conducive learning and working environment within the university.
09	Career Counselling and Placement Cell	Career counseling and Placement cell of RDWU aims to help individuals make informed decisions about their career paths by assessing their skills, interests, and goals. It provides guidance, resources, and support to enhance their career development and job prospects.
10	IPR Cell	The cell will create awareness and provide guidance to staff, students, scholars, and outside agencies on the rules of the university regarding intellectual property rights and obligations within the frame work of its IPR policy.
11	Special Cell	A special cell for SC / ST students exists in the University for redressal of grievances of SC/ST students of the U.G. and P.G. Departments.
12	Student Counselling Cell	A student counseling cell's of RDWU provides mental health support, academic guidance, crisis intervention, and conflict resolution for students in educational institutions. It also promotes diversity, wellness, and career development. Confidentiality and non-judgmental support are crucial, creating a secure space for students to seek assistance and enhance their overall success and well-being in academics and personal growth.

Rama Devi Women’s University and Diverse us Society Trust Sign MOU for Skilling of Diverse Candidates.

SECOND CONVOCATION OF RAMA DEVI WOMEN’S UNIVERSITY

Rama Devi Women’s University, established in the year 2015, celebrated its First Convocation in March 2019 wherein it conferred degrees on students of the batch of 2018. The grip of Corona prevented the holding of the Convocation Ceremony for three consecutive years. However, certificates for the students who graduated in 2019, 2020 and 2021 were distributed in a Special Ceremony.

On the 10th day of February 2023, the University organizes its Second Convocation to honour its graduates with degrees from various PG departments of the batch of 2022. This day is unique because it involves every stakeholder of the University – the students, the faculty, the alumni, the Syndicate and the Academic Council. And like for every other University, Convocation Ceremony for Rama Devi Women’s University, too, is an opportunity to look back and measure its achievement.

The day becomes more special for Rama Devi Women’s University, because one of her alumna Hon’ble Smt. Droupadi Murmu, the First Citizen of India, returns to her Alma Mater to grace the Convocation Ceremony as the Chief Guest. Hon’ble Governor of Odisha and Chancellor of the University Prof. Ganeshi Lal will be the Guest of Honour and will confer the students of the batch 2022 with their degrees. Toppers of each of PG department of the University will be adorned with gold medal. Five Endowment prizes will be awarded too. Two scholars of the University who were awarded with Ph.D. degree will be conferred the Diploma of Doctor of Philosophy (Ph.D.). The University, also, on this occasion will confer Honoris Causa (D.Sc. and D.Litt.) to four distinguished personalities who have made a mark for themselves because of their contributions to the society in the varied fields - science, literature, art, and social service. They are namely Dr. Soumya Swaminathan, Smt. Purnamasi Jani, Ms. Sunitha Krishnan and Dr. Aruna Mohanty.

Four publications of the University will be released on the day by Honb’le Chancellor of the University. Two of them – RDWU Bulletin of Science and RDWU Journal of Humanities and Social Sciences are in-house journals wherein scholarly articles from the domain of science, and arts and humanities respectively are invited from eminent researchers and published. *Binsa Satabdira Aloka Bartika* Maa Rama Devi is one of the publications of Centre of Excellence for Translation and Life writing. The book is an edited volume of scholarly articles on Maa Rama Devi. The Souvenir, which is a special publication of the Alumni Association of the University, is a publication to commemorate Hon’ble Smt. Droupadi Murmu’s visit to the University.

The Convocation, was spread over a span of one hour, embellished by honorable and esteemed guests as Shri Dharmendra Pradhan, Minister of Education and Minister of Skill Development and Entrepreneurship, Govt. of India, Shri Ashok Chandra Panda Minister of Science and Technology, Govt. of Odisha, Shri Rohit Pujari, Minister of Higher Education, Govt. of Odisha and Shri Bishnupada Sethi, Principal Secretary, Higher Education, Govt of Odisha.

The University in the last eight years has endeavored to nurture talent and promote excellence among the young women who enter the University with dreams in their eyes. And the pursuit will continue.

Hon'ble President of India, Smt. Droupadi Murmu graced and addressed the 2nd Convocation of Rama Devi Women's University on 10th February 2023

EXTENSION ACTIVITIES

Rama Devi Women's University aims to fill the minds of students with a determination and undying spirit to achieve milestones in life. The university not only stresses on academics, but extra-curricular activities, skill development programmes and extensive activities to give the students a holistic approach and develop their personalities.

NCC

NCC Company is the most visible, vibrant and dynamic part of the Rama Devi Women's University. The students enrolled as NCC cadets emerge as patriotic, youth who have inculcated qualities of discipline, team work, camaraderie and leadership that empower them to become engaged and successful citizens of the Nation. Our cadets have embraced all NCC activities with great pride, passion, sincerity and unmatched zeal. Notably 19 Cadets of the University registered their presence at prestigious National Camps such as Republic Day Camp at New Delhi (01), Inter-Directorate Sports Shooting Championship at Trivandrum (01), All India Thal Sainik Camp (AITSC) at Delhi Cantt (05), Ek Bharat Shrestha Bharat Camp at Koderma (05) and Rourkela (07) respectively.

Five Cadets successfully completed the challenging Army Attachment Camp at AAD, Gopalpur. AITSC cadets were part of the Odisha team that placed 3rd at the National level with Cdt Monalisa Behera deserving special mention for winning the Gold Medal in Map Reading. Our Cdts also shone at the Odisha State Shooting Championship with Cdt. Kiranbala Senapati and Cdt Sushree Swayamsiddha securing the gold and bronze medal. Cadets won many prizes during annual training camps in competitions spanning Debate, Group Discussion, Poetry recitation, Group Song, Group Dance and Shooting. Social service and community development activities like Swacha Bharat Abhiyan, Puneet Sagar Abhiyan, Environment Day, Road safety awareness campaign were conducted throughout the year. Cadets have been at the forefront in voluntary capacity during numerous University functions and events like the 2nd Convocation, Inauguration of Rama Devi Auditorium, Inter-University Hockey Tournament, Induction Programme where their exemplary services have been much appreciated.

Cdt Monalisa Behera, who was part of NCC Odisha Dte's SW Map Reading team that secured the 1st position trophy and gold medal at All India Thal Sainik Camp. Congratulations to the team for the win !

2 NCC cadets won the Gold & Bronze medal at Odisha State Shooting Championship.

MAJOR HIGHLIGHTS OF NSS

YOUTH RED CROSS (YRC)

The Red Cross Society is a worldwide, well known, universally accepted, admired and internationally identified humanitarian service organization. It is the biggest, independent non- religious, non- political, non- sectarian and voluntary relief organization treating people equally all over the world without any discrimination as to their nationality race and religion beliefs. It was established in 1863 in Geneva, Switzerland. The Father of Red Cross Movement and recipient of noble award for peace in 1901 was "Jean Henry Dunant", who was a successful businessman. In 1862 Dunant wrote a book "A memory of Solferino" which paved the way for the first Geneva Conference in 26th October 1863. The Geneva Society for Public Welfare, consider the Dunant's proposals which was mentioned in the book and convene a multinational conference for implementing them.

The Youth Red Cross RDWU conduct various activities which includes but not limited to:

- Observation of International Yoga Day
- Induction programme
- Blood donation camp
- Cleaning programme
- Observation of World Environment Day
- Observation of International Youth Day

ALUMNAE SPOTLIGHT

Our alumnae are our biggest strength and pride. In their various capacities as leader advocates administrators, sport person, makers etc. they have been our ambassadors of love, hope and goodwill. Through regular Alumnae meetings with the current student and faculty they have been furthering our cause of social uplift.

- The 2nd Convocation of the University was held on 10.02.2023 in the month of August in presence of proud Alumnae of the RDWU Hon'ble President of India Smt.Droupadi Murmu.
- A large number of Alumni Association members attended the convocation.
- A canvas portrait of Maa Rama Devi was presented to Hon'ble President on behalf of Alumni Association of RDWU.
- A Souvenir published by the Alumni Association of RDWU, was inaugurated by the President.

DISTINGUISHED ALUMNAE

SMT. DROUPADI MURMU
Her Excellency President of India

PADMASHREE DR. ARUNA MOHANTY,

PADMASHREE MS. DAMAYANTI BESHRA

MS. RUPA ROSHAN SAHOO

MS. BISHMITA TEJ

MS. SRABANI NANDA

MS. VALENA VALENTINA

RIGHT TO INFORMATION CELL (RTI)

The RTI cell of the University functions to coordinate all the work relating to the implementation of RTI Act, 2005. The roles and responsibilities of the RTI cell are as follows:

1. Serve as the nodal point for receiving RTI applications and appeals physically as well as online and forward it to the concerned CPIOs/Appellate Authority within the Department or to other public authority if the matter does not concern this department.
2. Coordinate matters relating to Odisha State Information Commission (OSIC) in terms of hearing, orders and other matters related to the University.
3. Coordinate and prepare proactive disclosure documents of the University and subsequent hosting of the information in the University website.
4. Coordinate all the work relating to the preparation of information sought and released to be submitted to SIC as per RTI Act, 2005.
5. Recommendation for appointment of new CPIOs/Appellate Authorities, compiling the list of CPIOs/Appellate Authorities at regular intervals and circulating the same within the University.
6. Any other work related to the RTI Act, 2005

Any citizen, who desires to obtain information under the RTI Act, 2005 may apply to the Public Information Officer of the University on a requisite RTI application form giving particulars of information being sought for along with his/her address, telephone, no, etc. for communication by the Public Information Officer/Public Authority.

Year	RTI applications received	Applications compiled	No. of Cases before the First Appellate Authority	No. of Case Resolved by 1st Appellate Authority

SHAPING FUTURE WITH US

Rama Devi Women's University believes in continuously upgrading its pedagogical techniques, teaching-learning environment, teacher-student dynamics, curriculum and research centers to become a dynamic and emerge as a leading university in the field of women education in Odisha. Graduating with a degree from our university gives students a platform to achieve their goals in life. The surveys from various employers rate our students as 'more likely' or 'much more likely' than the average other state student to possess high-level employability skills - such as problem solving, leadership, and communication.

Excellent student satisfaction, leading quality of research, and high teaching standards are a strong testament to University's dedication to its students. The University offers a wealth of provisions for supporting students in their academic studies and beyond. Given the challenges faced in imparting quality education during the Covid-19 pandemic, Rama Devi Women's University plans to boost digital education in the forthcoming year. To this end, the University incorporating more online platforms of education, training teachers to be equipped in new technological interfaces and also encourages students to understand, appreciate and use more online modes of learning.

Rama Devi Women's University attracts a wide range of people and personalities, and students from varied backgrounds choose to come here to study. The wealth of committees and activities on offer attests to the active and vibrant nature of the student body. Students are brought together by their talent and passion for their subject, and being around other like-minded students enhances their creativity and skills as much as academic life itself.

In order to inculcate a spirit of innovation and research, a Centre for Excellence has been developed in the university. Various research projects on translation, life-writing, literature, society and gender shall be taken up by the Centre. Strategic planning is being done to establish Atal Community Innovation Centre (ACIC) in the sector of Social Entrepreneurship. In the future, University will focus on emerging areas of social importance, such as Geriatric Care and Wellbeing, Women Empowerment through innovation in Cottage Industry, Parental Skill Development to deal with Special Children. Multidisciplinary Research of contemporary significance within and outside the University will be undertaken.
