

THE PEDAGOGUE

For Young Aspiring Minds

(Vol.5)

**Newsletter of P.G. Department of Education
RAMA DEVI WOMEN'S UNIVERSITY**

From the desk of HoD

The Pedagogue: for aspirational minds, the P.G. Department of Education's Newsletter provides a comprehensive overview of the wide range of initiatives the Department is involved in. With the release of the sixth volume of "The Pedagogue: for Aspiring Minds," I would like to take this opportunity to thank all of the department's staff members, both teaching and non-teaching, for their unwavering dedication to the department's overall development. With any luck, this newsletter will meet the stakeholders' educational needs for intellectual brilliance. It will spread ideas, guidelines, publications, books, curricular activities, and teacher and student performance across a range of fields.

Dr. Sankar Prasad Mohanty
HOD & Associate Professor

Department Activities

Student Orientation

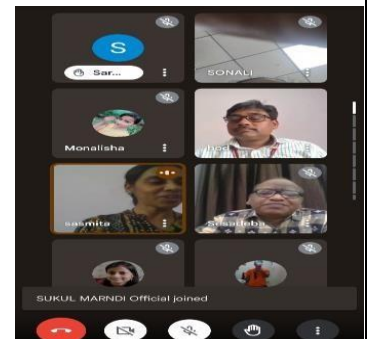

On October 13, 2023, a program of orientation was held for newly admitted UG and PG students. The program was designed to assist incoming students in acclimating to their new surroundings, fostering a sense of belonging and familiarity with the institution's values, and assisting them in forming relationships with Department Faculty and fellow students. On this particular occasion, the seniors of both UG and PG welcomed the freshmen with delight and good humor.

1. Prof. Dibakar Sarangi, Principal, Dr. PMIASE, Sambalpur delivered a lecture on Research: Perspectives in knowledge generation and validation. Emphasizing various aspects of research, he stated that how to produce valid knowledge in the context of research, the method of knowing employed knowledge, interpretation of evidence and generalization of knowledge.

2. Dr. Arti Srivastava, Senior fellow, Ravenshaw University, Cuttack delivered a lecture on Reflective thinking for futuristic society. Highlighting the importance of conscious mind for social transformation.

3. Dr. Sesadeba Pany, Associate Prof. of Education, Central University of Punjab, Bathinda delivered a talk on writing research proposal emphasizing various steps of writing research proposal a systematic manner.

Dr. Sarat Kumar Rout, Associate Professor and Head, Department of Education, Ravenshaw University, Cuttack delivered hands on experience on Use of Statistical Package for Social Science in Educational Research and discussed about the topic was "Impact of Study Habits on Learning Achievement and Divergent Thinking of Higher Secondary Students."
