

MicroLife - 2023

DEPARTMENT OF LIFE SCIENCES (IMB)

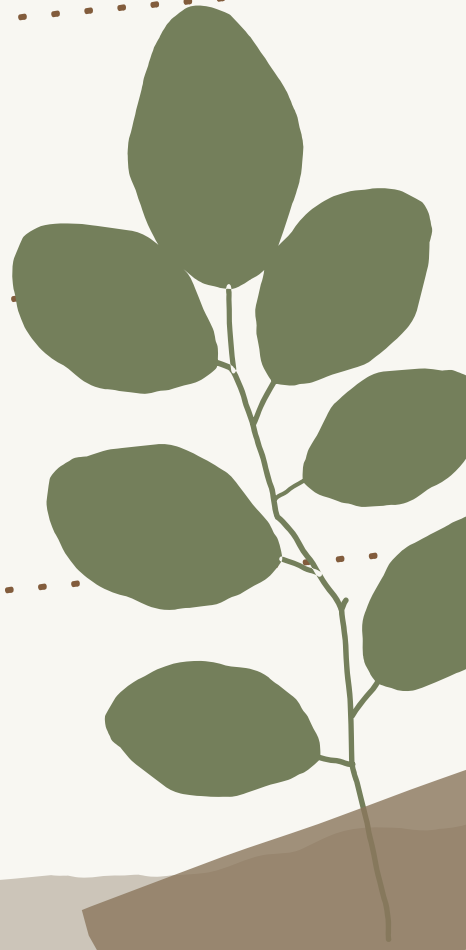

Newsletter Issue - 3

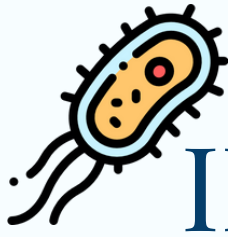

From HoD's Desk

I am ecstatic and elated to announce that the Department of Life Science is releasing its 1st issue of the newsletter MicroLife, enumerating the various events and accomplishments of our students. The department endeavours and strives to produce confident professionals tuned to the real-time working environment. As the head of the department, I would like to thank all the faculty members, non-teaching staff and students for their immeasurable support and sincere efforts towards the department. I acknowledge and applaud all the members of the editorial board for successfully bringing up this issue.

IN THIS Issue

Our Morale Boosters

- From the pen of Vice Chancellor
- From the desk of CPGC

Column by our Budding Brainiacs

- Showcasing the Finest Artwork by Our Talented Students

Seminars and Events

- Field visit and conferences attended by our students

The feathers to our cap!!

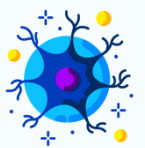

- Big Wins!
- Achievements by our students

Notes

Welcome to our Life Science and Industrial Microbiology Newsletter!

Step into the world of scientific exploration and discovery as we showcase the incredible extracurricular activities undertaken by our talented Student Consortium. This newsletter is a platform where young minds passionately delve into the realms of life science and microbiology, engaging in hands-on experiments, research projects, and knowledge sharing. Join us as we celebrate the enthusiasm and dedication of our students, highlighting their achievements, innovative ideas, and exciting discoveries. From fascinating artwork to insightful articles, this newsletter is a testament to the boundless potential of our students. Get ready to be inspired, educated, and amazed by the remarkable endeavours of our future scientific experts!

OUR MORALE BOOSTERS

PROF. APARAJITA CHOWDHURY VICE-CHANCELLOR

I'm delighted that the Department of Life Science is going to publish its newsletter "MicroLife". Documentation of departmental activities is crucial for educational institutions, aiding record-keeping, showcasing achievements, and inspiring future students. Collecting and organizing information supports research, a priority at Rama Devi Women's University. This newsletter fosters teamwork and goal-oriented collaboration, which will be beneficial to students in the long run.

Best wishes to all involved!

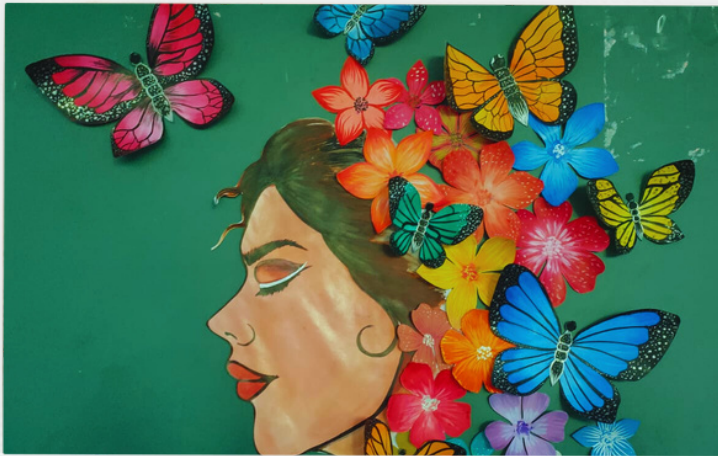

PROF. CHANDI CHARAN RATH CHAIRPERSON PG COUNCIL

It is my pleasure to place in record that the 3rd volume of "MicroLife", the newsletter of the Department of Life Science is going to be released. I take this moment to congratulate and thank Dr. Sakti Kanta Rath, HoD, Department of Life Science and his team for the median endeavour. I wish MicroLife miles to go!

MAA: ISS LABZ KA MATLAB SAMAJHTA KOUN HAI??

Maa, iss labz ka matlab samajhta koun hai??

saari farmaayish ussi se,

lekin uske dil ka haal samajhta koun hai??

maa se lipat kar saari zidd puri karni hai,

lekin uski khwayish ka khayal rakhta koun hai??

Bachhe ki har galti ko chhupane ka hunar usse behtar janta koun hai?

Maa, iss lafz ka matlab samajhta koun hai??

Woh kaali andheri raat me,

saaya bankar bachhon ki hifaaizat karne ki jo himmat dikhati hai

uska ehsaas karta koun hai??

Khud sooti ki libaaz me hoti hai,

aur bachhon ko har tarah ki chamkeeli dhamkeeli kameez me sajaane ka shouk badi nyaari hoti hai uski.

Maa, iss labz ka matlab samajhta koun hai??

Apne bacchon ke aankh me woh aansu dekh nai sakti,

lekin aone aansoon ko chhupane ka tareeka woh khoob dhundh leti hai.

Har toofan, har dard, har bimaar aur har takleefon se woh apni aulaadon ko dur rakhti hai,

aur apni poori zindagi woh takleefon me guzaar deti hai.

Apne liye kabhi zubaan kholna nai hai usko,

apne liye kabhi khada hona nahi hai usko,

apne liye haq se maangna bhi nahi aata usko,

lekin baat jab bachhon ki aaye toh,

usse behtar koi bolna aur ladna koi jaanta hi nahi hai poori duniya me....

Maa, iss labz ka matlab samajhta koun hai??

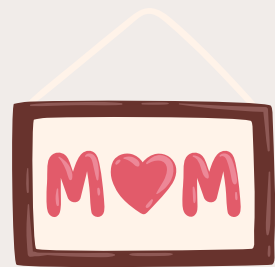

Subah shaam woh apni aulad ke fikr me guzaarti hai,

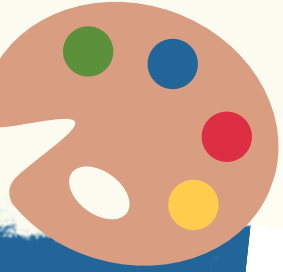

usime uski aadhi zindagi nikal chuki hoti hai....

Maa, iss labz ka matlab samajhta koun hai??

Maa, iss labz ka matlab samajhta koun hai??
