Dr. Manmohan Rout, Dr. Sarbani Sankar Panigrahi, Mr. Bijay Kumar Das, Ms. Sandhya Rani Pal, Ms. Aishwarya Swain, Ms. Sonali Muduli and Ms. Subhasmita Sahoo joined this event Prof G.C. Nanda, Resource Person of the day, highlighted the purpose and significance of induction Programme in a broader prospective for holistic development of the institution.

The Department organized a seminar on 'Constructivism and Teaching Learning Process' on 10 September, 2019. Prof. Nityananda Pradhan, Principal, Regional Institute of Education, NCERT, Bhopal, Madhya Pradesh acted as the Resource Person and discussed about learning outcomes in a constructive classroom and the changing role of teachers. Dr. Durga Prasanna Sarangi, Chairman, P.G. Council, Rama Devi Women's University also graced the occasion and gave deliberations on various aspects of teaching and learning.

Pre-Internship

The Pre-internship programme was organised on 11.12.2019. The purpose of Pre-Internship Programme was highlighted by Dr. Sasmita Kar, Assistant Professor of Education, School of Pedagogical Sciences. The programme was attended by B.Ed. students and faculty members of the Department. School Heads/Coordinators of different Cooperating Schools had joined the programme and focused on various activities during internship. It was followed by discussion and question-answer session.

Internship programme of students is started from 12.12.2019 in 10 Cooperating Schools of Bhubaneswar. Students were regularly supervised by faculty members of B.Ed. and Education. Along with their day to day teaching, students used to organise various co-curricular activities, morning assembly, organising labs and libraries in their respective schools. They also participated in community and other extension activities of the school.

Post-Internship

The post-internship presentation was held on 30.01.2020. in the programme, students provide a full overview of their tasks and actions during internship. They expressed what they have learned from their schools. They also shared their problems and challenges what they were facing during internship period. Gratitude was extended to schools for providing them opportunities to develop leadership qualities and creativity as well.

A Seminar on 'Sustainable Inclusive Education for Persons with Disability' was held on 07.01.2020. Dr. Mrutyunjaya Mishra, Associate Professor, Department of Hearing Impairment, Faculty of Special Education, Dr. Shakuntala Mishra Rehabilitation University, Lucknow discussed about various problems associated with Special Children and their educational remedies as well. The lecture focused on the importance of inclusion and various ways of inclusion in an educational setting, what they have learned from their schools. They also shared their problems and challenges what they were facing during internship period. Gratitude was extended to schools for providing them opportunities to develop leadership qualities and creativity as well.

The Department has organized a seminar on 'Invisible Education' on 09.01.2020. Dr. Siba Charan Subudhi, Associate Professor of Education, North-Eastern Hill University, Tura, Meghalaya graced the occasion and discussed about the types of invisible education and the way through which it can be related to real life situation. Dr. Subudhi stated that there are numerous ways of learning such as norms, values, beliefs etc. which are not taught intentionally, but inculcated by students in their day to day life. Such invisible i.e. hidden curriculum needs to be taken care of by parents and teachers as well. what they have learned from their schools. They also shared their problems and challenges what they were facing during internship period. Gratitude was extended to schools for providing them opportunities to develop leadership qualities and creativity as well.
