## FROM HOD'S DESK

**Dr Anima Bag**  
**HoD Statistics**

Dear Reader

It gives me immense pleasure that the department of statistics is releasing its 2nd issue of newsletter 'STATISTIKA-2022', enumerating the various activities and achievements of the department. It reflects the co-curriculum, artistic and innovative ideas of the students that exposes the hidden talents within them. As the head of the department, I would like to thank all the staff members and students for their co-operation and support to release this issue of the newsletter.

## From the desk of Honourable Vice Chancellor

**Prof. Aparajita Chowdhury**  
Honourable VC, RDWU

I am delighted to note that the Department of Statistics is releasing its newsletter 'STATISTIKA-2022'. A newsletter not only reflects the activities of the department but also it encourages students to take part in extra curricular activities. Wish this newsletter, a success for sustainable development for the department.

## From the desk of Chairperson, P.G.Council

**Prof. Sasmita Mohanty**  
C.P.G.C, RDWU

It is my pleasure to be placed in the 2nd volume of the newsletter 'STATISTIKA-2022' of Department of Statistics. This newsletter reflects the achievements in both academic and co-curricular activities of the students and staffs of the department.

I thank all the students, staffs, and Head of the department for their efforts and sincerely wish that this newsletter 'STATISTIKA-2022' achieve all heights.

## MISSION OF THE DEPARTMENT

- To awaken the students and discover their skills in both theory and practical through dedicating in teaching, commitment towards students and using innovation teaching methods such as seminar, symposium, panel discussion, field trips, exhibition, role play etc.
- To develop strategy in the department such as simulation programme by using advance tools like SPSS, R, Python etc.
- To carry out research activities in many frontier areas like Inventory Control, Multivariate Analysis, Stochastic Process, Operation Research etc.
- To prepare a strong database of e-learning method.
- To develop online video content, blog, and Youtube-channel in the name of our department.

## VISION OF THE DEPARTMENT

Spreading of statistical literacy, strengthening future research and create enthusiasm, interest and passion in the study of statistics.
