

SL NO.	6
TITLE OF THE SEMINAR	ROSALIND FRANKLIN SEMINAR SERIES on “Protein Degradation: Destruction for the sake of construction”
DATE & TIME	11 AM to 12:30 PM; Date: 26.04.2022 (Thursday)
DETAILS OF EXPERT SPEAKERS	Dr. Indrajit Sahu , Harvard Medical School, Boston, MA, USA.
NO. OF PARTICIPANTS	63
MEETING VENUE	Smart classroom, Academic Block-3
BRIEF REPORT ON THE WEBINAR	Dr Indrajit Sahu spoke on the importance of Ubiquitin proteasome system and the impact of protein degradation on human health. He highlighted the importance synthetic manipulation of critical nodes and developing new therapeutic modalities in targeted protein degradation (PROTACs) for cancer and neurological disorders.

Dr. Indrajit Sahu with the faculty members and students of the Dept of Biotechnology, RDWU.
