

**DEPARTMENT OF CHEMISTRY**

**ANNUAL REPORT**

**Academic Session- 2018-19**

**RAMA DEVI WOMEN'S UNIVERSITY,**

**BHUBANESWAR**

**ODISHA**

## 1. ABOUT THE DEPARTMENT

Rama Devi Women's University, was established in 2015. But the Department of Chemistry was started since 2008, when it was a college. The annual intake for B.Sc. Chemistry is was **16** but it was increased to **32** in the year 2017. Alumni of the department are well-placed in various institutions, industries, universities and in other reputed firms. The alumni association "CATALYST" actively involves in the growth and development of the department. The department aims at imparting best education to the students along with their personality development by strong interaction between teachers and students. A strong committed team of teachers with utmost sincerity and reputation leads the academic activities of the department.

## 2. VISION

To build foundation for excellence and super development of the institution as a premier institution by igniting and nurturing enthusiasm, interests and passion in the study of Chemistry in professional courses as a part of curricular.

## 3. MISSION

The Department of Chemistry envisages to

- To awaken the young minds and discover the talents both in theory and practical chemistry through dedication, commitment to students and innovative instructional methods.
- To support the developmental activities of the University and make the Department vibrant.
- To sustain efficient operating systems towards realization of our objectives as institution of eminence and international standards.
