Temple Cleaning by the Students of Department of Commerce

The department of Commerce, Rama Devi Women's University has conducted a Temple Cleaning programme on 17th January 2019. The more we cleanse the temple, the more we decorate the deity. It was a small activity done by the UG and PG students of commerce. Temples are considered sacred places where devotees seek solace, peace, and spiritual connection. Cleaning the temple premises helps maintain its purity, creating an environment conducive to worship and meditation. Cleaning the temple is a way of showing respect and reverence to the deities and the spiritual traditions associated with the place of worship. It demonstrates our commitment to upholding the sanctity of the temple and its rituals. Regular cleaning of temples helps maintain a clean and hygienic environment for the devotees. Removing dust, dirt, and debris reduces the risk of allergies and respiratory problems, ensuring the well-being of those who visit the temple.

FRESHERS PROGRAMME

Every year P.G. Department of Commerce welcomes new entrants for both UG and PG programmes. This is done to motivate the students towards their forthcoming endeavours in the department as well as giving them a chance to introduce themselves to their own batchmates, seniors and faculty. This helps them to create a professional relationship with one another and know more about everyone. This interactive programme is arranged every year by the senior students to extend a hearty welcome to their juniors.

On 29th Nov 2018, the 2nd Year students and the department together welcomed the PG batch of 2018-20. There was a list of formal and informal events in the same and everyone thoroughly enjoyed it.

TEACHER'S DAY CELEBRATION BY STUDENTS ON 5TH SEPTEMBER, 2018

A Teacher is someone who acts as a guide and inspiration to people – both young and old. He/she is charged with the responsibility of creating awareness as well as opening the mind of people by instilling values, morals, and ethics. Teachers' efforts are recognized during the teacher's day. They shape minds, and we annually celebrate their contribution to the development of society in the form of Teachers' Day across the world. As students we are the blank canvas and it is our teachers who paint us.

BIDDING FAREWELL TO ONE OF THE MOST VALUABLE TEACHERS OF P.G. DEPARTMENT OF COMMERCE DR. HARIHAR MISHRA

FAREWELL

And just like that time flid and 2 years passed. Finally, it was time to bid farewell to the PG batch of 2017-19 on 14/03/2019. They had been part of this family for 2 whole years but the farewell doesn't mean they no longer belong to the department. It is just a new beginning for them but the door of this department would always be open for them and they will always be an integral part of the department wherever they go or whatever they do in their life ahead. It wasn't a good bye, it was more of a best wishing for their future ventures.
