Seminar on “Career Counselling and Personality Development” was organized on 27th February, 2024 collaboratively by Department of Home Science, Education, Psychology, Gender Studies, Sociology and Career Counselling and Placement Cell. Former Professor Vishala Patnam Human Development Scientist and CAD Consultant of College of Community Science, VNMKV, Parbhani was the Chief Speaker of the programme.

Approximately 140 participants were present. The students gained confidence in their abilities and decision making by participating in discussion and activities. In exposure to successful professionals and stories of achievements inspired and motivated the students to pursue their goals with greater enthusiasm.

Professor Aparajita Chowdhury, Vice-Chancellor of the university motivated and encouraged our students by giving real examples. Professor Chandi Charan Rath, CPGC added his view points regarding career Counselling and Personality Development.
