10- Outcomes of the event:-

- The free dental health camp for students and faculty was a significant success in promoting dental health awareness and providing essential services.
- The event not only addressed immediate dental needs but also contributed to the long-term oral health education of the academic community.
- Future events can build on this success by addressing the challenges encountered and expanding the scope of services offered.

11- Recommendations(if any): more such camps should be organized for better health condition of both students and faculties.
