2. Mission and vision : **Mission:** Odia language enjoys the status of being a classical language among five other distinct Indian languages. The Odia pedagogy has been paving the way for ambitious and successful seekers of higher education since 2015. We believe that learning and researching the Odia language will enrich not only the individual minds of our students but also the collective consciousness of the masses. The PG Department of ODIA at Rama Devi Women's University aims to shape the aspirations of students, lay a firm foundation of knowledge, and provide a stepping stone for them for the future. The Department of Odia aims in teaching the basics and advanced knowledge in Mother tongue Odia to the Students. It endeavors to build active and participatory-cultured human being. So they can be able to contribute their ethical values to the society. Odia language will be the bridge of other disciplinary.

**VISION:** To produce academic eminence who will be able to lead the creative field and research of odia language and literature and bring laurels to the subject placing it in its right place of the arena of the world. Progress of Mother-Tongue is progress of the Mother Land. As the department of a Women's University, it has the vision of making learning inclusive. It works for up-gradation of the knowledge of the students on the current scenar
