Events Organized

Orientation Programme

Orientation programme sets a lasting impression for new students. On 12.09.2023, an orientation programme was organised for B.Ed. 1st year students. This programme was organised to integrate new students in the institution and make them familiar with B.Ed. course structure, environment, rules and regulation, educational resources etc. of the University. Out of 50, more than 45 students were present in this programme. On this occasion, Dr. Sasmita Kar HoD, Teacher Education the inaugurated the programme and extended a warm welcome to the students. Other faculty members of the department shared their views and experiences with the new comer. Glimpses of the programme are shared below.

Pre-Internship Programme

Pre-internship Programme is a part of B.Ed. course that a student has to practice before going to the school for internship. It is the orientation programme of student-teachers. The Pre-internship programme was organised on 18.11.2023. Dr. Sasmita Kar, HoD, has highlighted the purpose of organising the Pre-Internship Programme. Mr. Anshuman Jena demonstrated a plan on Physical Science and Biswajita Rout on Bio- Science. Sandeep Mazumdar has demonstrated the lesson plan on Social Science and discussed about the assessment process of both 1st and 2nd year students. Ms. Suchismita Behera and Ms. Sangeeta discussed about the Pre- internship activities, which is listed below-

- Observation of school site and activities by student-teachers.
- Demonstration lessons by the faculty members followed by discussion.
- Criticism lesson by student-teachers under the supervision of the subject teachers.
- Allotment of student-teachers in cooperating schools for internship

All faculty members of the department shared their experience about the importance of pre-internship programme and students cleared their doubts and expressed their excitement to join the internship.

SCHOOL INTERNSHIP 2023-24

In compliance to B.Ed. syllabus the School Internship Programme 2022-23 of B.Ed. students of this University was started from 22 November 2023 onwards in the schools permitted by the DEO, Khordha. Hence, B.Ed. Students are allotted schools for their internship. The B.Ed. faculty members of the University are assigned duties to supervise the said programme. The respective faculty members are to supervise the activities as prescribed in the B.Ed. syllabus and ensure the completion of the same during the internship. Besides, they are requested to ensure each B.Ed. student to submit a comprehensive report after completion of the internship.

Post-Internship Programme

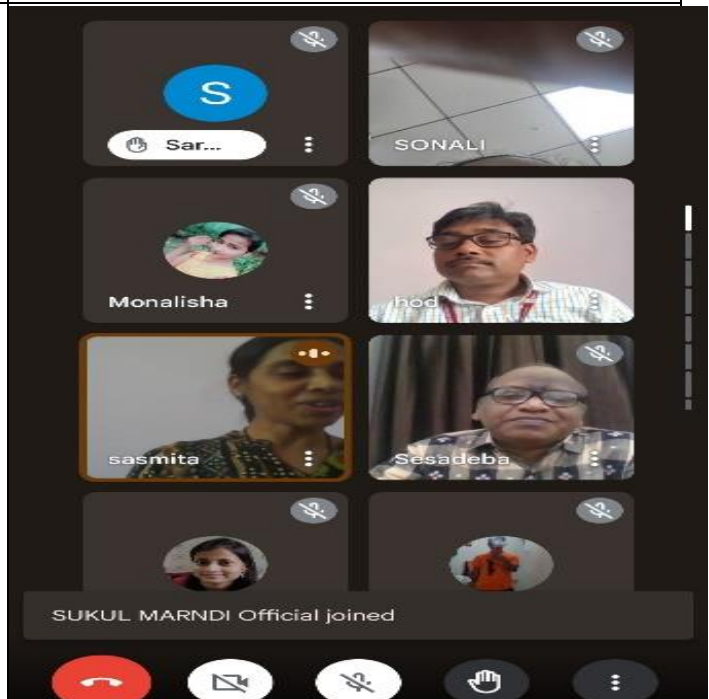

School Internship Programme was held from 22nd November 2023 to 6th January 2024 at 7 schools. The internship period was eventful, from the classroom experiences to the observation of occasions and different co-curricular and community activities. The internship programme came to an end with the post-internship meeting on held on 9th January, 2024. At the outset, Dr. Sasmita Kar HoD of the department congratulated all the students for successful completion of the internship and asked them to share their experiences. While sharing their experiences, students said that it was a remarkable journey for all of them and they learn about different school cultures during internship. They also talked about the skills they learned through first-hand experience, the challenges they faced and how they overcome those challenges on their own.

A seminar on ‘Research Perspectives in Knowledge Generation and Validation’ was organized by the department on 13.09.2023. Dr. Dibakar Sarangi, Principal, Dr. PMIASE, Sambalpur acted as the chief speaker of the event. Dr. Sarangi has elaborated about how to produce valid knowledge in the context of research. He has also talked about the method of knowing employed knowledge, interpretation of evidences and generalizability of knowledge.

A seminar cum workshop on ‘Writing Research Proposal’ was organized by Department on 30.09.2023. Dr. Sesadeba Pany, Associate Professor of Education, Central University of Punjab, Bathinda, India acted as the resource person. This seminar has been conducted through online mode via Google Meet. Dr. Pany has explained each step for writing research proposal in a systematic manner with suitable examples. All the steps including identification of research problem, importance of review of related literature, rationale of the study, statement of the problem, objectives of the study, formulation of the hypothesis, design of the study etc. were discussed in a systematic manner.

Dr. Arti Srivastava, Senior fellow, at Ravenshaw University, Cuttack delivered a lecture on Reflective Thinking for Futuristic Society on 25.11.2023. Highlighting the importance of conscious mind for social transformation, Dr. Srivastava explained the strategies to improve reflective thinking among students. She also described the importance of Indian Knowledge System and its influence on reflective thinking.

The Department organized a seminar on “Language Across the Curriculum”. Prof. Manoj Kumar Pradhan, Principal, Govt. B.Ed. College Kalinga, Kandhamal stated that language is crucial for students’ academic success and beyond. By developing language skills in conjunction with subject specific knowledge, students enhance their understanding, critical thinking and communication abilities.

An Extramural lecture on Life Skill Education was organized for students. Dr. Manini Biswal, Assistant Professor of Education, RNIASE, Cuttack highlighted the essence of life skill education in our day-to-day life. Further, she also elaborated the life skills given by WHO which are Self-awareness empathy, critical thinking, creative thinking, decision making problem solving, effective communication, interpersonal relationship, coping with stress and coping with emotion.

A Workshop on Employability Skills from 19.02.2024 to 23.02.2024. It was conducted in collaboration with by Nandi Foundation, Calcutta. Through structured training modules and partnerships with educational institutions and NGOs, the program focuses on equipping participants with diverse set of skills such as communication, teamwork, problem-solving, digital literacy, and entrepreneurship. By bridging the gap between education and employment, the Mahindra Pride Classroom not only enhances participants' employability prospects but also fosters their socio-economic empowerment

Collaborations

An MoU was signed with RNAISE, Cuttack on 07/12/2023 with the objective of various academic enrichment exchange activities by both the premier institutions of Odisha.
