DEPARTMENT OF STATISTICS

The Department of Statistics, Rama Devi Women's University is one of the leading statistics department in the state. It initiated its 1st batch of UG student's admission in the academic year 2016-17. Hence, its first batch graduated in 2019 with a believer of imparting best of statistical knowledge in academics as well as in industry.

From the desk of Honourable Vice Chancellor

Prof. Aparajita Chowdhury
Honourable VC, RDWU

I am delighted to note that the Department of Statistics is releasing its newsletter 'STATISTIKA-2021'.

A newsletter not only reflects the activities of the department but also it encourages students to take part in extra curricular activities.

Wish this newsletter, a success for sustainable development for the department.

From the desk of Chairperson, P.G.Council

Prof. Sasmita Mohanty
C.P.G.C, RDWU

It is my pleasure to be placed in the 1st volume of the newsletter 'STATISTIKA-2021' of Department of Statistics.

This newsletter reflects academic and co-curricular activities of the students and staffs of the department.

I thank all the students, staffs, and Head of the department for their efforts and wish that this newsletter achieve all heights.

MISSION OF THE DEPARTMENT

- To awaken the students and discover their skills in both theory and practical through dedicating in teaching, commitment towards students and using innovation teaching methods such as seminar, symposium, panel discussion, field trips, exhibition, role play etc.
- To develop strategy in the department such as simulation programme by using advance tools like SPSS, R, Python etc.
- To carry out research activities in many frontier areas like Inventory Control, Multivariate Analysis, Stochastic Process, Operation Research etc.
- To prepare a strong database of e-learning method.
- To develop online video content, blog, and Youtube-channel in the name of our department.

VISION OF THE DEPARTMENT

Spreading of statistical literacy, strengthening future research and create enthusiasm, interest and passion in the study of statistics.
