# Alumni Feedback Analysis 2020-21

Feedback was collected for the academic year 2020 to gather information on alumni' opinions regarding the activities organized by the department/university, aiming to assess the overall satisfaction and effectiveness of these initiatives.

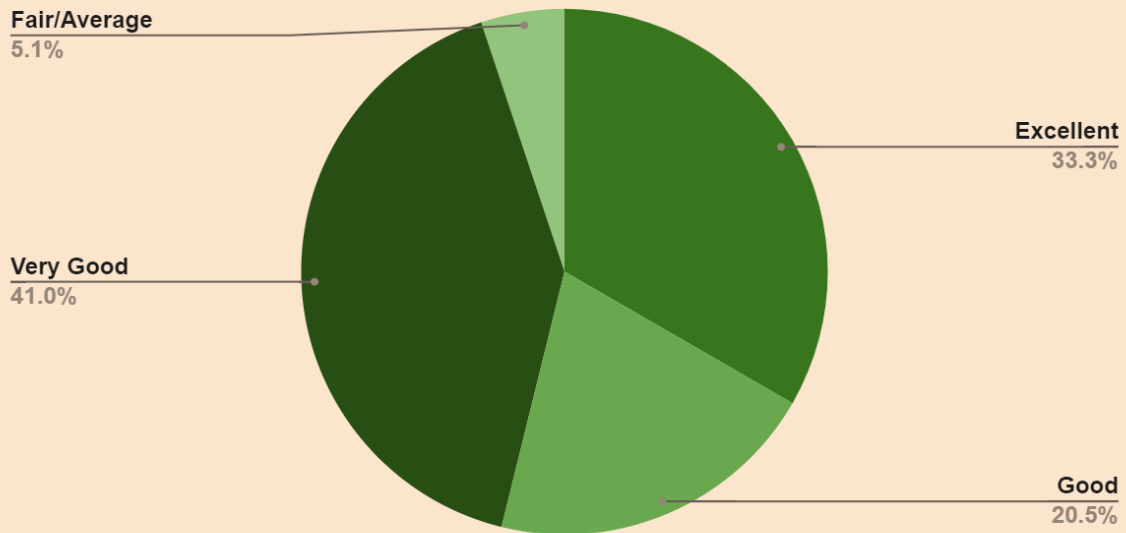

When queried about the department's organized activities, 33.3% of alumni expressed that the department executed them excellently. Additionally, 30.8% regarded the department's performance as very good, 25.6% acknowledged it to be moderate, 7.7% considered it fair, and 2.6% deemed it poor.

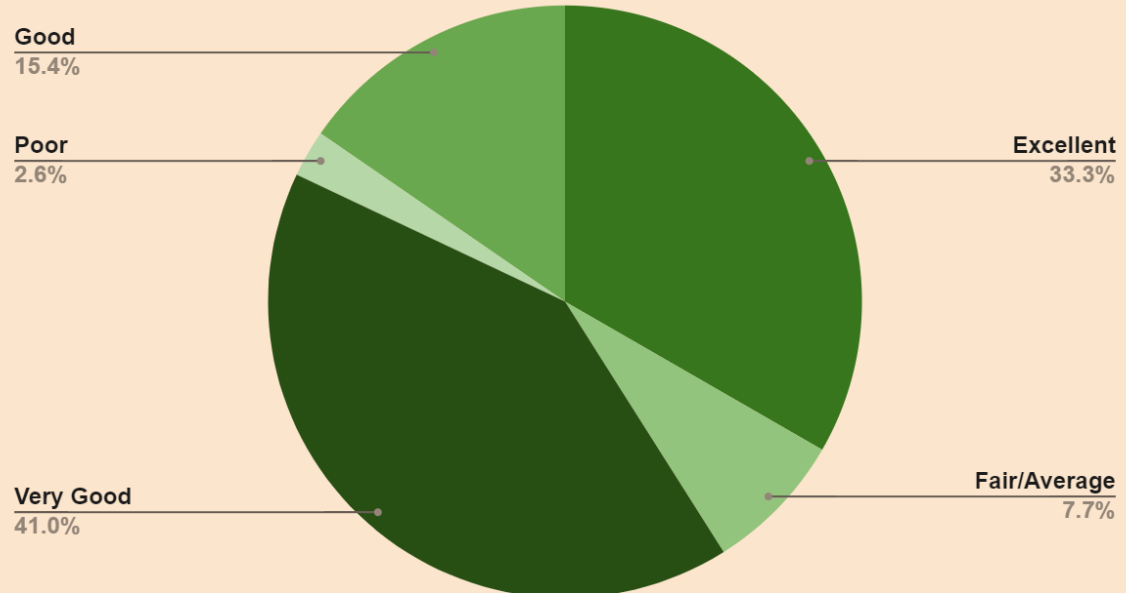

Approximately 33.3% of alumni rated the department/university facilities as excellent, 35.9% as very good, 17.9% as good, and 12.8% as average.

**Count of Learning values acquired (in terms of concepts, knowledge, skills, analytical abilities, broadening perspectives, applicability to real life situations).**

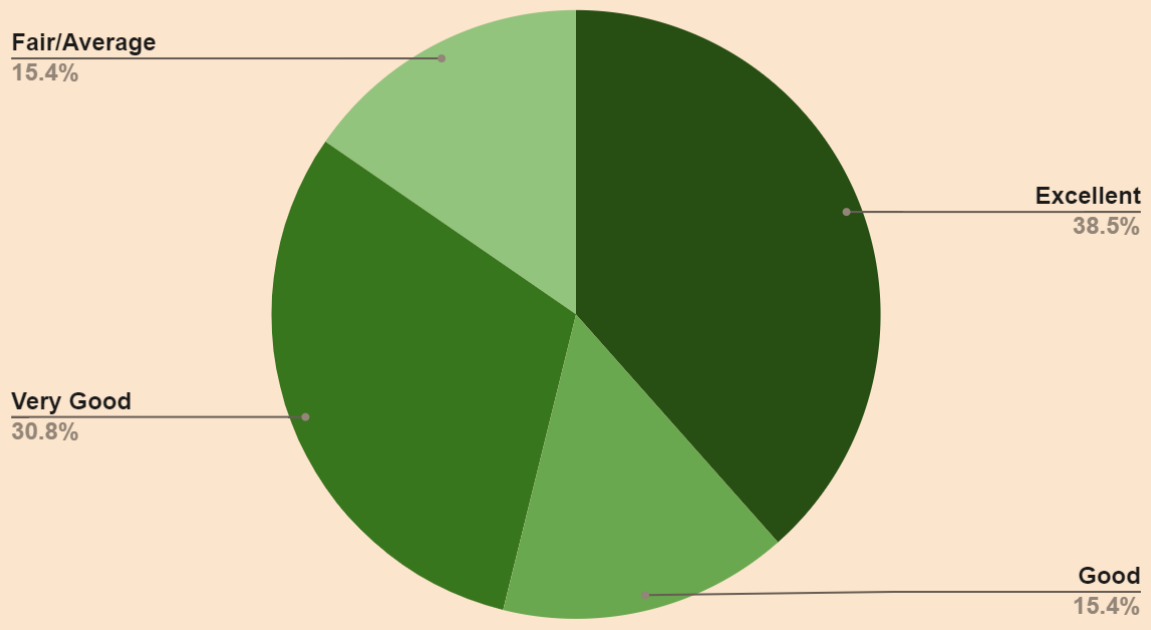

In response to inquiries about learning values encompassing concepts, knowledge, skills, analytical abilities, broadening perspectives, and real-life applicability, around 33.3% of alumni found them excellent, 41% very good, 20.5% good, and 5.1% poor.

**The course curriculum is relevant and updated.**

Responding to the question, 33.3% of alumni deemed it excellent, 41% very good, 15.4% good, 7.7% average, and 2.6% indicated a need for analysis and corrections.

### The status of your contact with the department/University.

In response to the question concerning the status of communication with the department, approximately 38% of alumni reported excellent, while 30.8% found it very good. Almost 15.4% of students thought it was good, with the remaining 15.4% rating it as average.
