	As per the report all the departments have been advised to revise their receptive syllabus in consultation with experts and eminent intellectuals of their domain and industry representative to enrich the curriculum without losing its main core.
The course may be delivered well-structured with enhancement of the practical knowledge.	The departments were advised to arrange workshops, seminars and exposure visits and expert talks for enhancement of practical knowledge on core subjects.
Innovation in teaching and activity based learning	All the faculty members were communicated to make the classes lively citing examples of real life situations, case studies, discussions, enhance interaction among the students etc.

The feedbacks given by the stakeholders were analysed and suitable actions were taken so as to satisfy the expectations of the stakeholders.
