Teachers Feedback Report 2021-2022

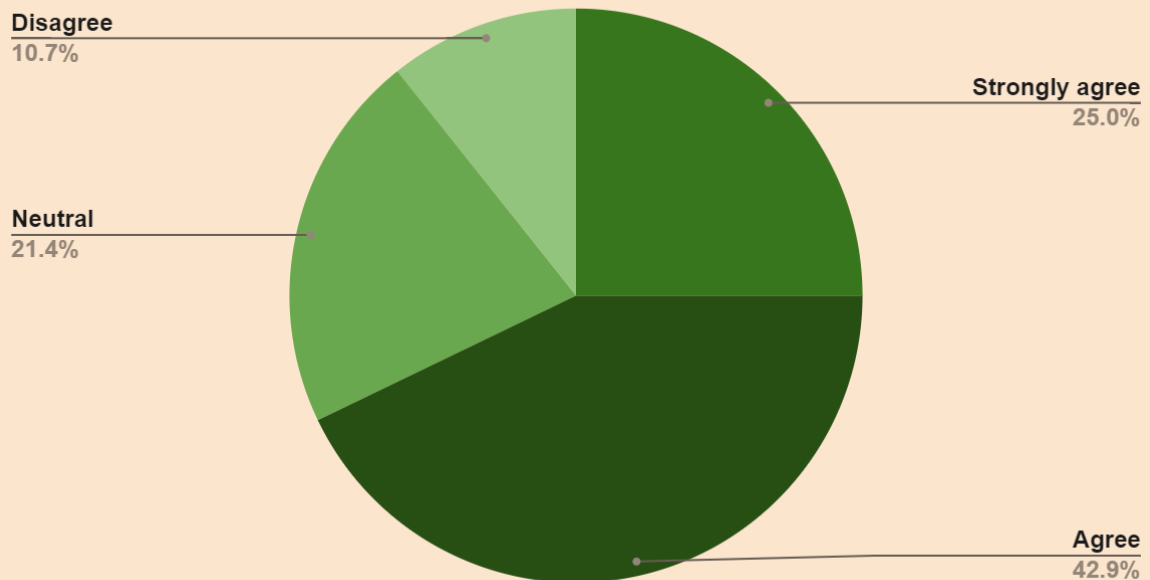

In the pursuit of continuous improvement, a comprehensive analysis of teachers' feedback for the year 2021-22 was undertaken, seeking valuable insights into educators' perspectives on course design and syllabus of the students. The main goal was to gauge and enhance the overall satisfaction levels of the dedicated teaching staff.

Employability given weightage in curriculum design and development

Representation from business and industries in Boards of studies is helpful in designing and improving the courses

Any suggestions to improve the Course Curriculum and teaching learning process
