

POST-EVENT SUMMARY REPORT

Name of the event: - Webinar on Educational & Cultural differences between Mexico and Odisha

Date of event: - September 18th, 2023

Location: - Zoom call

No. of persons attended: - 65+

A collaborative webinar was held between Rama Devi Women's University and Humanities and Education School, Tecnológico de Monterrey University, Mexico on "Educational & Cultural differences between Mexico & Odisha". Maa Rama Devi Chair (MRDC) along with the Department of Education and B.Ed of Rama Devi Women's University had organized the webinar.

The Chair Professor of MRDC, Prof. Sucheta Priyabadini welcomed the faculties and students of both the universities and gave a brief summary regarding the webinar.

Dr. Sandra Gudiño Paredes, Professor & Regional Director of Department of Humanities & Education, Monterrey Institute of Technology & Higher Education addressed the meeting and gave a brief introduction regarding their university.

Then esteemed vice chancellor of RDWU, Prof. Aparajita Chowdhury addressed the meeting and shared her insights on the topic by talking about the specialties of Mexico as a country and Odisha as a state.

Then there was an interactive session between the students and faculties of both the universities. Students of both the universities shared their views and asked their queries to the faculties. It was a very insightful and fruitful session. It gave the participants an idea about the education system, culture and practices of both the regions. Around 65+ participants were present from both the Universities.

Dr. Manisha Mishra, HOD, Dept. of English, winded up the webinar by summarizing the meeting. She also suggested for incorporating few more Mexican writers in the syllabus and Spanish language in the Curriculum.

Dr. SasmitaKar, HoD, Teacher Education (B.Ed), gave the vote of thanks and suggested regarding cultural and educational exchange program for students and faculties of both the regions.
