

RAMA DEVI WOMEN'S UNIVERSITY, BHUBANESWAR

EVENT REPORT FORMAT

“सा विद्या या विमुक्तये” (*Knowledge is that which liberates*)

- 1. Department Name:** MAA RAMA DEVI CHAIR
- 2. Title of the Event:** Webinar on “Cyber Safety for Women in the Digital Era”
- 3. Type of Event:** Webinar
- 4. Date & Time:** 9.06.2026; 12:00 pm-1:00pm
- 5. Mode of Conduct:** Online
- 6. Venue Used:** Office space
- 7. Name of Resource Person:** **Mr. Satyanarayan Roy Mohapatra**, Cyber Security Expert & Advisor
- 8. Objective of the Event:** The webinar on "Cyber Safety for Women in the Digital Era" was organized with the objective of creating awareness among women regarding cyber threats and online safety, promoting responsible digital practices, enhancing knowledge about cybercrime prevention and digital privacy, and empowering participants with practical strategies to navigate the digital world safely and confidently.
- 9. Brief Description of the Event (3–5 lines):** The webinar commenced with a Welcome Address by Prof. Sucheta Priyabadini, Chair Professor, Maa Rama Devi Chair. The resource person, Mr. Satyanarayan Roy Mohapatra, delivered an insightful session on cyber safety and emerging digital threats. He explained how cybercriminals exploit AI-powered tools and digital platforms to deceive users and discussed preventive measures to stay safe online. Through real-life examples, he addressed issues such as digital arrest scams, UPI fraud, WhatsApp-related frauds, image phishing, algorithm-driven manipulation, and data theft, while providing practical solutions and guidance to the participants. The interactive session enhanced awareness among students regarding responsible digital practices and cybercrime prevention. The vote of thanks was given by Dr. Kalyani Sarangi, Asst. Prof., Dept. of Philosophy.
- Internal (Students/Faculty):** 100+
- 11. Outcome of the Event:** Many Students of RDWU & Affiliated colleges also joined the webinar. The webinar successfully enhanced participants' awareness of cyber security,

digital privacy, and safe online practices. Students gained practical knowledge about identifying and preventing various forms of cybercrime, including online fraud, phishing, cyber harassment, and data theft. The resource person also shared his contact number with the students, encouraging them to seek further clarification or guidance on cyber security-related issues whenever required.

12. Feedback Summary (if collected): NA

Strategies to Manage Social Media Usage and Improve Focus

- 1 Set Boundaries**
Define specific times for social media use and stick to them. Limit usage of personal photos or photo editing apps on social media platforms.
- 2 Mindful Usage**
Be aware of how social media affects your daily life, mood and energy levels. Minimize scrolling and prioritize engaging interactions over passive consumption.
- 3 Unplug and Recharge**
Schedule regular breaks from social media to engage in activities that promote relaxation, creativity, and mental well-being.
- 4 Focus on Real-Life Connections**
Prioritize in-person interactions and meaningful relationships instead keeping your problem hidden within you. Spend quality time with loved ones and cultivate fulfilling connections.
