Activities

1. **Orientation Program for Visually Impaired Students:**

Rama Devi Women's University (RDWU) and Diverseus Society Trust (DST) Conduct **Orientation and Career Counselling Program for Visually Impaired Students on September 9, 2023 at the university campus.**

The program aimed at providing Skill training, guidance and support to visually impaired students over the next two years in choosing their career paths. It was attended by more than **50** Visually Impaired students studying in the university. An individual, one on one session was conducted for the assessment of students' needs as well as talents possessed by them so as to understand their strengths, weaknesses, interest areas to customise the skill training for them.

2. **Career Skill Training Session 1 for VI Students**

The very first session of the **Career Skill Training for Visually Impaired students was held on October 2, 2023** in the university campus. The training was attended by 48 Visually Challenged girls pursuing their Graduation/ Post Graduation program. The session aimed at explaining the importance of career development and exploring the possibilities through which the students can use their education and skill to apply for various jobs to lead a meaningful life.
