D.O. No. 231/2/2022 - CD/1164

Date: 01-12-2022

Sub : **Setting-up of Census Data Research Workstation in your Institute, regarding.**

Dear Madam,

You may be aware that under Ministry of Home Affairs, the office of the Registrar General, India and Directorate of Census Operations of all states and UTs are mandated under Census Act, 1948 to conduct decennial population and house listing Census Operations in India. Census data is the only authenticated source which provides data at both macro and micro level for the entire country as a whole for use and analysis by the Government, the academicians and the researchers.

It is being contemplated to establish dedicated research centers in the Central Universities / IITs / IIMs / NITs/ Population Research Centers & similar institutes of repute located in Odisha, to provide access to census micro data (anonymised) for students / researchers, under a protected environment. The research work will be exercised at the data center itself without taking out any raw dataset because there will be no provision for copying out the micro data. However, tabulated outputs will be allowed to be taken out by the researcher, after scrutiny. The supervision of functioning of workstations will be jointly exercised by the university / institute and this Directorate of Census Operations, Odisha.

The office of the Registrar General, India has already set-up 19 workstations in different universities / institutes throughout the country. **JNU New Delhi, BHU Varanasi, ISI Kolkata and IIM Bangalore, IIT Ropar** etc. are among the Central Universities / premier institutions, where the workstations have been established. To promote research in academic institutions, ORGI wants to establish more workstations for which all the published census data of Census 1991 to 2011 and onward as well as the anonymised census micro data would be uploaded on servers of the workstations as and when it gets established. The expenditure for setting up of workstations is to be borne by the respective university / institute itself.

In view of the above, I would like to request you to kindly make it convenient to come for a discussion in our Directorate on 20-12-2022(Tuesday) at 11.00 AM on the subject mentioned above for setting up of the workstation at your institute. You can get back to Mr. H. K. Singh, Deputy Director, of this office in his Mobile No. 9009164376, e-mail : [hksingh200820@yahoo.com](mailto:hksingh200820@yahoo.com) for further inputs.

Kindly confirm your participation by 10-12-2022 through e-mail : [dco-ori.rgi@censusindia.gov.in](mailto:dco-ori.rgi@censusindia.gov.in)

With warm regards,

Yours faithfully,

  
Udaya Narayan Das, IAS, (2010)  
Director
