Letter No: **NIC/DSC/ALP/185**

दिनांक / Date: **29/06/2020**

To
The Registrar,
Rama Devi Women's University,
Bhubaneswar

Sub: **Hand holding support for RDW University Portal and application.**

Ref: **Your letter no 1967 dated 05/06/2020**

Madam,

With reference to the letter cited above, I am to inform you that the Web portal and Student Life Cycle (UG & PG Courses) of Rama Devi Women's University was developed using open source technology like Java(Spring) and PostgreSQL. We have to complete the following jobs in next 3-5 months :

1. Publishing of +3 and PG Final Result
2. Valuation of UG 1st Semester(2019) Admission batch
3. Admission of UG/PG/M.Phil courses

As per your order, Smt. Sushree Mishra, Programmer has joined on 08/06/2020 and we have tested her skills. At present, she has no development experience of Java(Spring) Programming. Also she advised to learn Java (spring) framework and improve her skills for programming. So she will not be useful in the current scenario of Result Processing i.e. for 0th(UG)/4th(PG) Semester mark posting and the 1st Semester(2019 batch) result processing. Also due to COVID-19 restrictions, sitting of professional in NIC is restricted. So she is advised to sit in the University regularly and learn Java(Spring). may come to NIC only as and when required.

So I request you to engage a Java(Spring) programmer from NICSI for six months or till she becomes competent enough for development work using Java(Spring) Programming for smooth functioning the activities of the university.

With regards.

Yours faithfully,

(A.K. Pattaraiyak)
Sr. Technical Director
