

International Conference on

Plant Physiology and Pathology

September 06-07 2023 | Singapore

<https://plantphysiology.inovineconferences.com>**March 25, 2023****Keynote Speaker Invitation: Plant Physiology and Pathology Conference (ICPPP) 2023**

Dr. Raj Kumar Joshi, Associate Professor
Dept. of Biotechnology,
Rama Devi Women's University, India.

Dear Dr. Joshi,
Greeting from Singapore!!

With regards to the above subject, I wish to inform you that I am the producer for the upcoming International Conference on Plant Physiology and Pathology (ICPPP), which will take place in Singapore on the 6th and 7th of September 2023. The congress aims at looking into the scientific progress and findings in the area of plant biology and agriculture with a broad theme "*New Challenges and advanced Techniques in the arena of Plant Physiology and Molecular Pathology*".

I am pleased to extend an invitation for you to be a keynote speaker at the conference. This event would be an excellent opportunity to showcase your success story, and network with key industry executives. I am assured that your expertise in the theme of the congress would greatly benefit the executive delegation. As a privilege to the keynote speaker, you are exempted from registration for the event and we will sponsor your travel to Singapore for an amount not exceeding SGD 400 to attend the congress.

I sincerely hope you will be able to join us to what promises to be a very successful event.

Kind Regards,

Renaldo Thomas | Scientific Operator
