E- LEARNING CENTRE

ABOUT THE CENTRE:

- In 22nd April 2017, the E-Learning Centre of the University was established to provide Computer literacy to all the under graduate and Post graduate students.
- The University started providing the certificate course on “**Diploma in Computer Applications (DCA)**” from the session 2017-18 and extend to other students subsequently.
- In view of the rapid demand of computer education, a compulsory Allied Core (AC-101) paper named “**Computer Applications in Teaching Learning**” is introduced for Post Graduate students from the academic year 2022-23.
- Over the Years, it has provided computer training and certification to more than 10000 individual students.

VISION:

- To transform the society through computer education, employment, and empowerment of women.
- The primary objective of E-Learning centre is to create computer skilled workforce from the University to meet the demands of various Government jobs, industries and boost economic growth.
- To enhance the opportunities for one to be among all in every field of competitive world using computer knowledge.
- To make students enable to use the computer knowledge in pursuing their main course and enable them with the basic computer literacy.

MISSION:

- Our main mission is “Fundamental Computer knowledge for all.” i.e., to make all the students computer literate.
- To develop qualities essential to make students proficient in the two most vital feminine concerns of modern times: home and career.
- The E-Learning Centre has made significant strides in computer skill development and empowerment.
