

## **Report on Foundation Day**

Date and Time: 06.12.20, 3.30 pm onwards

Venue: New Auditorium

Participants: 25

### **Objective of the Program:**

The dance club aims at the cultivation and fine-tuning of the inherent potential of the students in dancing. The club organised various events and gave myriad platforms for the students to explore and utilise their known or unknown talents and to facilitate progress in their artistic journey.

### **Detailed description of the event:**

In honour of Foundation Day, the dancing club members put on a lively performance. It brought new life and vitality to both the participants and the spectators. The members performed beautifully, keeping along with the music. The various performances of dance club members also added color to the various programs hosted by the university.
